To whom it may concern,

Alex Brisson has worked for Ocean Dimensions for four years and three months, from the 11th of March 2015 until the 23rd of February 2019. He worked with us on two of our 5-star resort properties in the Maldives, Six Senses Laamu in the Laamu Atoll and Kihaa Maldives in the Baa Atoll. He took up employment with Ocean Dimensions again at Kihaa Maldives from 20.08.2021 to 06.04.2023 for one year and seven months.

He was employed as a Dive Instructor responsible for dive training, guiding experienced divers and snorkelers, plus the promotion and selling of our services and products.

When we moved operation from Six Senses Laamu to Kihaa Maldives in August 2017 he helped with the closing of one dive centre and the starting up our new Dive Centre.

When we introduced our new online dive centre management system Alex promptly picked-up how to register and invoice our guests for the different activities.

With his skills as graphic designer he was instrumental in the making of all our promotion materials, t-shirt designs, dive centre posters, business cards and logbooks.

It is to Alex's credit that during his time with us he quickly expanded his areas of responsibilities.

We are sorry to see Alex leave, during his time with us he has been an integral part of our operation. He is a good team player who has a pleasant and friendly manner with the guests, resort staff and management, always performing his duties with enthusiasm.

We wish him well in his endeavours.

Sincerely

Marc Zaalberg

I am writing to recommend Alex Brisson. He worked with us at Nomads Diving and *worked with me* in my position as diving instructor and owner.

As an employee, Alex was always there. During his time in my team, he managed to work daily as a dive guide, and he also worked on my business image, including graphic work and web design.

I've always put a premium on dedication among my team members and Alex never failed to deliver.

Alex is a delight to work with and I wouldn't hesitate to work with him again.

Should you have any further questions about him, feel free to reach me at 679-997-6640 or tukai@nomadsdiving.com.

Thanks,

Laitia Tukai

Note: We have recently transitioned to a new administrative system which now reports counts **based on processing date** of certifications. This report reflects this change and may affect your numbers appearing in different columns, but the overall count will remain the same. There are a few areas that we would like to bring to your attention:

- . Expanded distinctive counts now show all certification detail

- . Referral category has now been expanded to show linked and Referral Completion form entries

Please contact your local PADI office if you have any questions regarding this report.
